

# EVANSTON GOLF CLUB

4401 DEMPSTER STREET – SKOKIE, ILLINOIS 60076

## 2<sup>nd</sup> Assistant Superintendent

Evanston Golf Club is a private country club located less than 15 miles north of downtown Chicago. Originally designed by Donald Ross in 1917, Evanston Golf Club went through an extensive renovation in 2007 led by golf course architect Ron Pritchard. The Club sits on 148 acres that, along with the golf course, includes 6 Har-Tru clay tennis courts, 6 paddle ball courts, a gun club facility, a pool complex and a historic Tudor-style clubhouse.

Evanston Golf Club's active and vibrant membership has been dedicated over the years to improving all club facilities. This includes in 2015 a \$3.5 million pool renovation, in 2019 a \$1.5 million tennis court renovation and most recently, in 2022 a \$7 million paddleball facility renovation.

This past fall, the membership approved a \$8 million golf course renovation, designed by golf course architect Tyler Rae, that will take place in 2024. This will include coring out all putting greens and rebuilding to USGA specifications, installation of a wall-to-wall irrigation system as well as bunker sand and drainage replacement. This renovation will be a fantastic opportunity for the right candidate to learn and develop valuable construction experience that will help further their career.

We are looking for a highly motivated person with a passion for golf course management to join our team and learn every aspect of golf course maintenance while working directly with the Superintendent and Assistant Superintendent to provide the highest quality member experience.

### **Educational Requirements:**

- Bachelor or 2-year turf degree or experience in golf course maintenance or related field
