

Equipment Manager at Meadowbrook Country Club

Posting Date: 9.5.23

Position: Equipment Manager

Starting Date: ASAP

Salary: \$60,000-65,000

Responsibilities:

- Perform routine maintenance and repair of golf course equipment including mowers, tractors, utility vehicles, dump trucks and other small engine machinery.
- Inspect and identify mechanical issues, diagnosing and repairing equipment in a timely manner to minimize down time.
- Develop and implement a preventative maintenance schedule, ensuring that all equipment is properly maintained and serviced according to manufacturer guidelines.
- Maintain records of equipment maintenance activities, repairs and service.
- Collaborate with the Golf Course Superintendent and other team members to prioritize equipment needs.
- Assist in maintaining a clean and organized shop.
- Stay current with industry trends, technology and best practices related to golf course equipment.

Qualifications:

- High school diploma or equivalent, relevant technical education is a plus.
- 1 year experience as a Golf Course Equipment Technician.
- Strong knowledge of mechanical, electrical and hydraulic systems found in golf equipment.
- Attention to detail and the ability to work independently and as a member of our team.
- Superior organizational and recording skills.
- Effective communication
