

Assistant Superintendent Job Posting

Nestled in the western suburbs of Chicago, Illinois, The Oak Park Country Club is a private, full service, 18-hole golf and country club. Oak Park Country Club was designed by architect Donald J. Ross in 1914 and renovated in 2007 by architect Rick Jacobson.

Currently, The Oak Park Country Club is looking for an Assistant Superintendent. The right individual will be a core member of our team and have many opportunities to advance their career and education in the turf management industry. A good work ethic, positive attitude, and a goal-oriented personality are some of the attributes the right candidate will possess. The position will give the individual a look at every facet of maintaining a golf course at the highest level.

Job Description

- Expected to be engaged, organized, and detailed regarding golf course and facility maintenance
- Lead and train small crews
- Properly mix and calibrate equipment for pesticide and fertilizer applications
- Responsible water management practices of all playing surfaces
- Repair and adjust Toro irrigation system using Lynx software
- Responsible for successfully leading various projects
- Snow removal of the clubhouse parking lot and surrounding buildings
- Ensure correct daily equipment setup and lock up
- Work in conjunction with superintendent and other assistants to improve the grounds department operations
- Ability to adapt to a changing environment

Educational Requirements

- 2-to-4-year degree in Turfgrass Management or related degree

Experience Requirements

- 0-2 years golf course experience
- Willing to train the right individual
