

Position: 1st Assistant Golf Course Superintendent

Riverside Golf Club

Riverside Golf Club is a member-owned, private, 18-hole country club in North Riverside, IL. It is located approximately 10 miles West of downtown Chicago. Riverside was opened in 1893, and is Chicagoland's oldest private golf club on its original land.

Riverside has seen a major transformation over the past several years. All bunkers were rebuilt in the fall of 2016 to restore them to a more historically accurate shape and design. Tee construction/reconstruction is ongoing, as well as green expansions. The membership recognizes the necessity to invest in the course, so future projects are in the works including more green expansions, green reconstruction plans and practice facility expansions under the guidance of the golf course architect.

Education and Experience

2 or 4-year degree related to turfgrass management.

Prior golf course experience required.

Previous assistant experience desired.
