

## **Employment Opportunity**

**Position:** Golf Course Superintendent

**Golf Course:** The Meadows of Six Mile Creek GC

### **Description:**

The Meadows of Six Mile Creek GC is an 18-hole, public golf course located in Waunakee, Wisconsin, (5 miles N of Madison, WI). Bentgrass Greens; tees and fairways are a mix of bentgrass, KBG and poa. Grounds maintenance at Six Mile Creek has been provided by Reliable Golf Services since it opened 26 years ago. RGS is a management company that provides golf course maintenance at nine courses in the Midwest and we are looking for a self-motivated, energetic individual to operate the grounds maintenance dept at The Meadows of Six Mile Creek GC .

### **Role:**

The Superintendent reports directly to the Regional Golf Manager of RGS and indirectly to the GM at Six Mile Creek. He oversees the day-to-day agronomic operations of the golf course and clubhouse grounds.

### **Responsibilities:**

- Manage the golf course maintenance crew including: hiring, training and holding staff meetings as needed
- Training of seasonal staff on proper use of tools and equipment with an emphasis on safety
- Proper application of fertilizer and plant protectants
- Irrigation operation, troubleshooting and repair
- Both planning, overseeing and completing tasks and projects in a timely manner
- Winter mechanical repair work on equipment

### **Requirements:**

- Two or Four year degree in turfgrass management or related field preferred
- Two years previous experience as an assistant golf course superintendent
- Ability to obtain a Wisconsin pesticide applicator license
- Be self motivated and have a drive to ensure maintenance standards are met or exceeded on a daily basis

Benefits:

- Salary position, \$60 – 65,000 annually
- Health, Dental, Life, Vision and Short term disability insurances
- Vacation
- 401K with a 4% company match
- Golf
- National and Local Association dues paid
- Continuing education and Professional development opportunities
- Ability to move up in the Reliable Golf organization
