

Employment Opportunity

Position: Golf Course Superintendent

Golf Course: Tanna Farms Golf Club and Mill Creek Golf Club

Description: Tanna Farms and Mill Creek Golf Club are two daily fee 18 hole golf courses in Geneva, Illinois, under the management of GolfVisions. The golf courses share a property line. They are both newer bentgrass golf courses with automated irrigation systems.

Role: Full time year round position. Responsible to the General Manager to manage and supervise all day to day golf course maintenance activities of two adjoining 18 hole public golf courses.

Responsibilities: Hiring, training and supervision of maintenance crew and mechanic.
Application of irrigation, fertilizers and plant protectants.
Irrigation troubleshooting and scheduling.
Planning and scheduling of maintenance activities.

Requirements: Prior experience as an assistant superintendent.
Fully licensed as Illinois Pesticide Applicator.

Benefits: Salary commensurate with experience.
Insurance benefits.
